

Beyond the Range Professional Experience Grant

Fact Sheet - Semester 2, 2023

The grant

The Beyond the Range Professional Experience Grant (grant) provides financial support for eligible preservice teachers (candidates) to teach, live and explore a **rural or remote community** while completing a professional experience placement (placement) in an eligible **Queensland (QLD) state school** (school) in semester 2, 2023.

Who can apply?

Applications are encouraged from candidates who:

- are currently enrolled at an accredited [Australian university](#) (university) and in their:
 - 3rd or 4th year of an undergraduate [initial teacher education](#) (ITE) program, or
 - 1st or 2nd year of a postgraduate ITE program, and
- hold a valid [QLD Working with Children Blue Card](#) with currency during the placement (interstate candidates will need to apply for a blue card).

Eligible locations/schools

The (minimum consecutive) 15-day placement must be undertaken in a school that has a **transfer rating (TR) of TR4-TR7** and is located:

- at least [2 hours travel](#) (each way) from the candidate's current residence and the school for the placement, and
- within a [priority region](#) - Central QLD, Darling Downs-South West, Far North or North QLD.

Refer to the [Choose your teaching adventure](#) booklet (booklet) for the eligible schools¹ or the regional maps that will be provided on the Smart Jobs website (under 'documents'). The eligible schools will be highlighted green.

Applications may be prioritised from TR7 to TR4.

Step 1 - Organise the placement

- Research the [priority regions](#) to determine the school for the placement.
- Ensure the school is listed in the [booklet](#) or is highlighted green in the regional maps (provided on the Smart Jobs website under 'documents').

If the school isn't listed in the booklet or highlighted in the regional maps, the Regional Professional Experience Grant (RPE grant)² should be considered.

- The placement should be at least 2 hours (each way) from the current residence using the [RACQ trip planner](#).
- Liaise with the placement office/officer at the university to organise the placement.

Step 2 - Apply for the grant

1. When the placement is confirmed in writing (i.e., Sonia Online or InPlace) apply for the grant on the Smart Jobs website.
 - in the 'upload files' section, upload the documents requested in the BTRG Doc Checklist (provided on the Smart jobs website under 'documents'), and
 - respond to the questions in the online questionnaire.
2. Log into Smart Jobs (create an account if needed) and:

Incomplete applications or applications submitted less than 6 weeks before the placement start date may result in a delayed payment including receiving the grant whilst on placement.

Experiencing trouble uploading the documents? Email them to scholarships@qed.qld.gov.au

The grants for semester 2, 2023³ will close on the 8 December 2023 or when the semester's allocation is depleted.

The grants for semester 1, 2024³ will open in mid-term 4, 2023. [Register here](#) to receive an email when the grants open.

Step 3 - Grant offers

Candidates will receive an email within 3 weeks⁴ of applying for the grant to either: (a) seek further information or (b) to provide an offer letter, Conditions of Payment (CoP), and a personal details advice form to complete and return which will initiate payment of the grant (this can take up to 3 weeks).

Conditions of payment

Payment of the grant is based on the placement details provided in the online application. A CoP is to notify the department of any changes to the approved placement particulars (including a re-scheduled, cancelled or terminated placement) which may affect the grant amount paid or repaid⁵.

Step 4 - Payment of the grant

The one-off grant⁶ is to assist with placement-related travel, expenses⁵. The grant is based on the duration of the placement not the TR of the school:

Duration of the placement / Grant amount			
15 days	20 days	25-35 days	40 days+
\$3,375	\$4,500	\$4,700	\$5,000
