Continuing Students

All successfully completed courses will contribute to your program and you will continue studying as normal.

The transition plan lets you know the last offer of the old courses and the first offer of the new courses so if you miss the last offer of a course that currently appears on your enrolment pattern you will immediately transition into the new course.

The Recommended Enrolment Pattern table also lets you know when courses are offered (e.g. T1, T2 or T3) which will assist you to plan your enrolment for the remainder of your program.

Please follow the step-by-step guide to build your personalised enrolment pattern.
