Program Change and Transition Guide

About Your Program

To offer you a flexible learning journey with relevant and classroom-ready skills, we have made some improvements to your Master of Education (MEDC) program starting in Trimester 1 2025.

This guide will support your learning journey for:

[Section 1: Planning My Enrolment Pattern](#)

Continuing Students – Guidance and Counselling

All successfully completed courses will contribute to your program and you will continue studying as normal.

The transition plan lets you know the last offer of the old courses and the first offer of the new courses so if you miss the last offer of a course that currently appears on your enrolment pattern you will immediately transition into the new course.

The transition plan also lets you know when courses are offered (e.g. T1, T2 or T3) which will assist you to plan your enrolment for the remainder of your program.

Please follow the step-by-step guide to build your personalised enrolment pattern.

New Students – Guidance, Counselling and Careers commencing in Trimester 1 2025

As a new student commencing study in 2025, you will follow your enrolment pattern by taking the new courses as they are rolled out for the first time.
