

1. Click ‘Webcam’ to preview your Webcam Sharing- be sure you are clearly in view of the webcam and stay in view for the assessment duration.

2. Click ‘Screen’ to preview your Screen Share.

Ensure your correct Webcam is selected. If you are unable to see yourself in the preview you may need adjust your device

Ensure your correct Screen is selected (if using dual monitors). Your Screen Share should appear just like the example on this page.

The screenshot displays the ProctorU Prechecks interface. At the top, a progress bar shows steps: Welcome, Begin Recording (active), Exam Rules, Accommodations, Verify ID, and Exam Lobby. A status indicator on the right shows '2/6 completed'. The main content area features an illustration of a person at a desk with the text 'Select your preferred devices'. Below this, there are two tabs: 'Webcam' (selected) and 'Screen'. A large rectangular preview window is currently blank. Below the preview, there are three selection options, each with a dropdown arrow: 'Integrated Webcam (0c45:6d22)', 'Communications - Microphone (2- Dell Stereo H...', and 'Entire Screen1'. At the bottom, a message states 'Screen, camera, and audio recording will begin once you click **Begin Recording**', followed by a green 'Begin Recording' button.
