Project Update – Toowoomba Campus Ju Raku En Pavilion

We are excited to announce commencement of works for a new pavilion in Ju Raku En (the Japanese Garden). Demonstrated below, the pavilion will provide a beautiful new viewpoint and event location in the garden, while showcasing more of the traditional design elements already on display.

Fences will be in place for the duration of works and there will be disruption to pathway and carpark access during this time. To allow construction to progress safely, the water level in the lake will be lowered for an extended period. Please observe all signs, fencing and instructions in the area for the duration of the works.
