

Academic Affairs Division
Undergraduate Research Scholarship Program
Application form 2025

1. ELIGIBILITY CRITERIA REMINDER

To apply for an Undergraduate Research Scholarship Program, you must be:

- be enrolled in an undergraduate program (University pathways students are not eligible for these scholarships);
- have completed at least eight units of study at UniSQ but have not completed all units of study in their program (i.e., students who are eligible to graduate are not able to apply for this scholarship);
- be studying in a program relevant to the selected research project/s;
- have a high level of academic achievement as indicated by a Grade Point Average (GPA) of 5.5 or above at the time of application; and
- have a genuine interest in undertaking a Higher Degree by Research study (i.e., PhD or Master of Research).

Please note: *There may be projects where the above criteria have been modified as these projects are part of large research grants. Any changes will be noted on the projects themselves and will be located just before the project description section for each project.*

If you have completed all the courses in your undergraduate program and are eligible to graduate, you are NOT able to apply for this scholarship.
